Because of his thirty-five years of devotion to Samford University;

His twenty-two years as head of the History Department; and because of his dedication to the cause of freedom through his work with freedom's foundation which has brought credit and honor to Samford University,

The 1969 Entre Nous is dedicated to

DR. GEORGE V. IRONS

Dr. Irons with President and Mrs. Wright and Freedom's Foundation Award.

IN APPRECIATION

A yearbook is not meant to be the record of one school year, but is designed to make people remember the events of the year. The history of the year is not on these pages, but is in the memory of each Samford student. The task of constructing a yearbook is a very difficult one because no one person remembers exactly the same thing in exactly the same way. It is my sincere hope that those magic moments of the year 1968-1969 are recorded in such a way that they will be remembered in that same magic way with warm thoughts of those with whom the moments were shared.

The yearbook could not have been completed without the help of many people. Many must go without a written "thank you" but I wish to say a special word of thanks to the following people for their help and guidance along the way:

President and Mrs. Leslie S. Wright

Dr. Arthur L. Walker

Mr. George H. Smith and the Public
Relations Department

Miss Avalee Willoughby and the
Physical Education Department

Mr. Lewis Arnold

Mr. Jim Godwin

Mrs. Sue Aldridge

Mr. M. E. Wiggins

Mrs. John Bloomer

Mr. Clarence Brooks

Mrs. Ben Brown

Mr. George Seibels

Miss Anne Bolen

And now, it is all history.

IN MEMORIAM
STEPHEN D. WILLIAMS

Lord, make me an instrument of thy peace.

Where there is hatred, let me sow love;
where there is despair, hope;
where there is injury, pardon;
where there is doubt, faith.

O divine Master,

grant that I may not so much seek
to be consoled, as to console;
to be understood, as to understand;
to be loved, as to love.

For it is in giving that we receive,
in loving that we are truly loved,
in dying that we are born into
eternal life.

Junior Panhellenic: *Seated:* Jane Wheeler, Shelia Hamrick, Mary Cone, President, Betty Hall. *Standing:* Becky Jennings, Jane Herring, Mary Grace Nelson, Sandy Martin, Karen Fenimore.

Panhellenic: *Seated:* Margaret Sampson, sec.; Cynthia Arnold, President; Paula Parsons, vice-president. *Standing:* Marilyn Burke, Nadine Davis, Sondra Scott.

Panhellenic, Interfraternity Council and Junior Panhellenic are composed of one member and the president of each Fraternity or Sorority. These Councils serve as a means through which the Greeks can discuss problems that arise among the Greeks or ones common to all.

Panhellenic and IFC not only work for the Greeks but with activities for the campus as well. In the fall these groups helped sponsor a campus wide party, as well as one in the Spring in conjunction with Greek Week.

The IFC is mainly responsible for Greek "Week". This year a very successful week-end was enjoyed by all who cared to participate.

Panhellenic and IFC are a very necessary part of our Greek system and College life. They are often the forces behind the scenes that cause the many small problems to be solved before they become large. This makes it possible for the Greek system at Samford to be an important participant in Campus life.

HOMECOMING

Traditionally at Samford, the Friday night before Homecoming has been devoted to building and stuffing displays and floats. The Greeks, as in all other phases of campus life, can be found here each year.

Homecoming displays are begun two weeks prior to the Homecoming festivities and the fraternities and sororities put in many hours of work sawing boards, pounding nails, shaping chicken wire, connecting wires, running motors, cutting crepe paper, and finally stuffing the crepe paper into the wire.

This is a time when each group grows closer working together, participates in competition with other Greeks, and then shares the excitement over a win, or the disappointment of a loss.

Smiles ... Introductions ... handshakes ... teas ... theme parties ... smokers. This begins the year for the greeks—with Rush the lifeblood of the Greek system. Through Rush, the Greeks meet the incoming freshmen and the freshmen in turn meet the Greeks. Each looks at each other and decides; then the waiting and finally bids.

The Greeks meet many late hours planning parties, rehearsing skits and meeting. The ice water teas traditionally begin Sorority Rush. Then follows four theme parties with each group trying to show the rushees what being a Greek is. What it has meant to each sister and what it can mean to each rushee. Last is the final preferential

party followed by bids and pledging.

The fraternities have rush three weeks after school begins and the brothers spend these weeks trying to get to know the freshmen on the rush list. They begin officially with the smokers, followed by supper get togethers and then a preferential party and bids.

So begins the year for the Greeks. Their most important event—Rush. These pledges will be instructed in fraternity history, manners, proper conduct and which active to throw in the fountain. These will be the fraternity and sorority members, they will carry on the tradition of each group and next fall they will stand on the other side and "rush."

STEP-SING FOR THE GREEKS

Step Sing has become a strong tradition among all organizations on campus, and has become a very large part of the competitive spirit among the Greeks.

Each organization spends many long hours in practice, memorizing the music and working with all those members with two left feet, to make sure that all choreography is to perfection. The costuming is similar to that of a Broadway show and requires a great deal of thought and preparation.

The culmination of all the work comes as each group performs to a packed Seibert Hall ... things go well ... and not so well ... as they do in any show. This year in the sorority division, Alpha Delta Pi took first place honors, and Phi Mu placed second. Pi Kappa Phi was second in the Fraternity division to Sigma Nu.

Greek-weekend is the climax of activities for the Greeks; it comes in the Spring each year. This is a weekend when the Greeks participate in activities planned by the Greeks but open to all. IFC President Byron Scott, co-ordinated and directed a very successful week-end.

The activities began Thursday night in the Chapel with past national President of Pi Kappa Alpha bringing a talk on the importance of the Greek system and its value to each member. This was followed by a coffehouse with each fraternity and sorority providing entertainment. Junior Panhellenic sold coffee and donuts.

Friday afternoon the athletic competition, so stressed by Greeks of old, began. The IFC events, in which the sororities participate, featured such events as: a three legged race, Buffalo Rock chug, penny grabbling in the mud, pushing a football with one's nose and, a *surprise* event, jumping off a ladder with an egg in one's mouth. In these events Chi Omega took first place.

Panhellenic Olympics, in which the fraternities compete were held Saturday morning. These, won by Pi Kappa Alpha, included such events as an egg race, and others.

This weekend was climaxed by a Greek party at the Green Springs Armory where the Greek God, Mike Cleckler, and Greek Goddess, Kris Schoening, were announced.

A major part of Greek Life is the strong competition between each Fraternity and Sorority. Competition through various events such as Step Sing and Homecoming are important, but major competition exists throughout the year in intramural participation.

Each Fraternity competes in Football, Volleyball, Basketball, Handball, Tennis, and Softball. This year Pi Kappa Alpha won Football and Softball top honors, Sigma Nu took Basketball, and Pi Kappa Phi won handball, tennis, and S Day Track and Field Events. The Pikes won the overall Intramural trophy through their efforts in all areas of participation.

Each Sorority enters competition with other teams in Volleyball, Basketball, and Softball. This year, Volleyball was won by Alpha Delta Pi, Basketball by Chi Omega, and Zeta Tau Alpha took top honors in the S Day Track and Field Events.

First place in Step Sing goes to Alpha Delta Pi! Thus the school year of 1967-68 came to a climactic end, but the enthusiasm of Kappa chapter carried over to the fall when once again Alpha Delta Pi took honors on campus.

The first big event of the year was Homecoming and in the Homecoming court were Linda Champion, Lucille Cook, Diane Cox, Karen Olson, and Beryl Jackson, who was first alternate. ADPi's stole the hearts of the men of three organizations. "S" Club chose Diane Cox as its sweetheart and for the second year, Cheryl Alexander was selected to represent Circle K. Debe Laida was chosen as Lambda Chi Alpha Pledge Sweetheart. In city competition, Laurie Glass was chosen as Miss Fire Prevention. Debbie Harrison reigned as Miss Dental Clinic and as first alternate in the Camilla Queen Contest.

Later in the year Alpha Delta Pi was proudly represented by Karen Olson who claimed the title of Best Dressed Coed. She was also a finalist for Greek Goddess. Once again Linda Champion took first alternate in the Miss Entre Nous beauty contest. Besides Linda, ADPi will be represented in the annual by Karen Olsen and Diane Cox.

Kappa Chapter is recognized in every way at Samford. Five ADPi's, Mary Ann Connor, Kay Fields, Judy Segler, Betty Lou Jackson and Linda Hastie were listed in Who's Who. ADPi's held membership in such honoraries as Alpha Lambda Delta, Gamma Beta Phi, Hypatia, Phi Alpha Theta, Pi Delta Phi, Pi Gamma Mu, Rho Chi, and Sigma Delta Pi. ADPi's held positions in many other campus organizations. Four ADPi's are in A Capella Choir, and two are SGA Senators.

However, all the activities aren't social or scholastic. Each month, Kappa chapter has a party for the girls at the Girls' Club.

There have been many achievements and lots of fun but as always, there is still much to look forward to and to strive for.

As summer drew to a close, the Chi Omegas began to gather for rush workshop. We papered the lobby and then created a jungle. (We knew we'd do great in rush with Vicky's wiggle and Virg's nail!) Seventeen girls came out wearing Chi O pledge pins.

With rush behind us, we turned our efforts toward the coming year. Our assets included three fraternity sweethearts, secretary of the SGA, Entre Nous finalists, and cheerleader, Becky Rowden.

We had a party for the pledges at the Sheraton and then settled down for the work ahead. Two of our pledges became freshman class officers. All the pledges brushed up on tricycle riding for the big race, but Miriam thinks it's strictly for kids.

Homecoming rolled around and Chi O took first place in displays for the second year in a row. Cherry Haney was picked as second alternate to Miss Homecoming.

Christmas time found the Chi Omegas at Fairhaven, caroling the elderly. Even Santa showed up to talk and bring gifts to these "older kids." As always, the party ended by singing Shades for our own Mrs. Snow, a Chi O alum.

Our formal, White Carnation, was a great success thanks to the Van Dykes and Dr. Bailey. Our new pledge sweetheart, Lambda Chi Trent Chason, and Owl Man, PiKA Jim Lucas, were announced.

The semester ended and soon we had twelve new active sisters. The new semester brought new honors. Pat Gilbert was named Pi Kappa Phi pledge sweetheart, and Nancy Hart was chosen by the PiKA pledges as their sweetheart. Chris Hurst and Pat Gilbert were later initiated into the Little Sisters of Pi Kappa Phi, and Ruth Carpenter, Cathy Huey, and Karen Fenimore were chosen by the Lambda Chis for a similar honor.

Greek weekend came and once again Chi Omega gathered the honors. We won the IFC events but Nutt never wants to see another egg, and Mog's still afraid of water. Kris Schoening was named Greek Goddess, and Vicky, along with Kris, was in the top 20 for Miss Entre Nous.

A few of the sisters were water logged, but they won outstanding victories in the swim meets. (Mog cheered from the sidelines). In basketball, we led the way as "Big Red" and the team brought us an undefeated season.

The enthusiasm paid off when Chi Omega won the Spirit Trophy, given by the cheerleaders to the sorority with the most school spirit.

All the honors, plus the friendship and inspiration of Chi Omega has made it a wonderful year, but even bigger and better things lie ahead in the future.

Officers, Seated (L-R): Carol Watson—Pledge Trainer, Mila Espy, Vice-President. Standing, L-R: Margurite Kelly, Personal Chairman; Kaye Walker, Treasurer, Nadine Davis, Secretary; Vicki Brady, President.

The school year 1968-69 proved to be most prosperous for the Alpha Pi Chapter of Delta Zeta. After returning in September from our rush workshop in Panama City, we were ready to entertain rushees in our new chapter room. Rush was quickly over and our new pledges began to get in the swing of college life. They were faced with pledge swaps, car washes, Big-Little sister parties, selling pillows, meeting alumnae and sisters from other chapters, pledge presentations, and that ever loved study hall.

At Province Day on April 12th, the Polly Owen pledge award was retired to our chapter for the largest percentage of girls going active. But not only have our pledges been busy, through the help of the whole chapter, Delta Zeta placed second in the homecoming displays. During this event, we sold mums for the girls. October brought a Halloween party, December a Christmas party, and April our long awaited Rose and Green Formal. The months in between were by no means dull.

They were filled with such activities as intramural sports, cook outs, a wig party, a protest party, a Christmas party for the underprivileged children, supporting an adopted boy in Chile, a Bridal Fashion Show, Founder's Day, Scholarship Banquets, and plenty of White Candles.

Delta Zeta is proud of having in her chapter, Miss Lake Martin, a majorette, five little Sisters of Lambda Chi, fifteen girls on the Dean's List, and 14 with a 2.0 and above, 2 Entre Nous Favorites, eight officers in honorary sororities, Secretary of the Senior Class, first runner up in Best Dressed Coed contest, and a group of girls who enjoy working together to accomplish.

This has been our year in Delta Zeta.

Delta Theta Chapter of Kappa Delta has had a busy year, growing, learning, and discovering the way how to do this and how *not* to do that. We have initiated five new sisters and have pledged two new members this year.

Our small but ever increasing number has not been a hindrance in the school's activities. Kappa Delta participated in the volleyball games, a part of the Greek intramural program, Greek Weekend activities, S-Day activities, and the annual Step Sing presentation. We were all very excited over the Step Sing performance, because this is the first year the chapter has entered.

This year, the White Rose Formal was held without the aid of other Kappa Deltas because we felt we should try out wings. Miraculously, it was a success and we enjoyed every minute of it. We learned many valuable lessons to add to our file of "you'll never learn until you try."

The chapter won one of the top awards at the annual Awards Day for the highest pledge class average for the Fall Semester. This is the cup presented by the Panhellenic Council of the University.

The chapter is looking forward to a new year, of learning and growing together in the bonds of Kappa Delta.

Officers (L-R), *Sitting*: Patsy Cotten, Vice-Pres.; Cheryl Reid, President; Barbara Mitchell, sec. *Standing*: Nancy Wilburn, treasurer; Ellen Wood, assistant treasurer; Dawn Kennedy, editor, Frances Scott, Membership Chairman.

The sisters of Phi Mu Fraternity have grown closer this year by working together in a combined effort in campus activities. Through these efforts, a stronger sisterhood has been built and many honors have been won.

Several sisters were recognized for their scholastic achievement. Janet Brown, Lee Cronenberg, Susan Morris, and Charlotte Lee were recognized on Scholarship Day for their scholastic ability. Lee Cronenberg and Sondra Scott were tapped into Hypatia, the highest woman's honorary on campus. Janet Brown and Susan Morris are among the members of Alpha Lambda Delta, a freshman honorary, of which Susan is the President.

Individual honors were bestowed on the following sisters: Trudy Wyatt was elected Freshman Cheerleader, Mary Kathryn McCarroll was a member of the Homecoming Court, Sondra Scott was a finalist for Miss Samford, Janet Brown was named Miss Friendship, Martha White was one of the top five in the Best Dressed Coed contest and Sondra Scott and Lee Cronenberg were named to Who's Who.

Two sisters, Jane Wheeler and Kathy Elias, were chosen as "Little Sisters" by the Pi Kappa Phi, and Elizabeth Douglas and Janet Brown were chosen as Sigma Nu pledge sweetheart and Sigma Nu White Rose respectively.

For the second year in a row, a Phi Mu was chosen as Miss Entre Nous. This year Martha White succeeded Linda Beck as top campus beauty. Also found in the finals were: Sondra Scott, Most Attractive in Sportswear; Susan Morris, Most Attractive in Evening wear; and Beauties Debbie Adams, and Martha Minor. Lee Cronenberg, a Favorite, was named Miss Congeniality by her fellow contestants.

With all these honors and with her sense of pride in the traditions and secrecy of Phi Mu, Alpha Gamma takes pride in her position among the other sororities on the Samford campus.

Officers—Row one: Sister Williams, Vice-Pres.; Nita Carter, Pres.; Lynn Pickens, Rush. Row 2: Janet Brown, treasurer; Jane Morris, pledge trainer; Lynn Baten, Secretary.

Another year has come and gone, but the memories shall always remain. Looking back, the Delta Psi chapter of Zeta Tau Alpha has many things of which to be proud.

Last summer at our National Convention, Delta Psi was awarded a recognition award for sustained leadership in all phases of campus life. In doing this we, have members as class officers, senators, and secretary of the SGA for next year. In publications Zeta is represented by the Assistant Editor of the *Entre Nous* as well as the Greek editor, Classes editor and Administration Editor. Also a Zeta coordinated the *Entre Nous* pageant this year.

Honorary organizations are filled with Zetas, many of whom occupy executive positions. Seven Zetas belong to the BSU choir. Two of the varsity cheerleaders, as well as one freshman cheerleader and five majorettes, wear Zeta pins.

Despite this running around some sisters maintained their poise and beauty to become beauty queens. One Zeta gave her crown as Homecoming queen to another Zeta this year. Last year's Miss Samford, a Zeta crowned another Zeta Miss Samford as well as first runner up was a Zeta.

Zetas are also well known with the fraternities. Five Zetas have become Little sisters of Pi Kappa Phi. The Rose Queen of Pi Kappa Phi is a Zeta. Lambda Chi Alpha picked a Zeta for their crescent girl and two Zetas became little sisters of the crescent.

Zeta sisters also found time to study, and we retired the scholarship trophy with a 2.0 average.

And so, another year has come and gone but the memories shall remain forever.

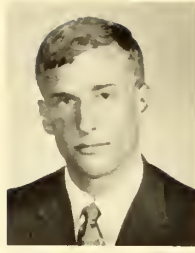

Officers *Left to Right*: Linda Pugh, recording secretary; Paula Simmons, Vice-President, Mary Robinson, corresponding sec.; Sharon Maxey, Ritual; Kimeran Brown, president; Kay Ferguson, Treasurer; Marcia Nichols, recommendations; Sharon Jones, Historian, Rulene Olds, Rush.

The past year has seen an increase in the strength of Lambda Chi Alpha on the Samford campus. The chapter started the year in September by holding its first annual Operation Suitcase. Members aided the girls coming for rush in moving into the dorm. Closely following was a very successful rush. Pledges soon got into the swing of college and fraternity life and were able to assist in the annual 440 Relay Race held for the Sororities on High School Day. The race was run again on tricycles with the sororities participating.

Around Thanksgiving, the Lambda Chis held their annual food drive by kidnapping the Presidents of the six sororities and held them hostage for a ransom of food. Just before Christmas, the fraternity held the annual Christmas party for underprivileged children. Everyone had a good time and received much personal warmth in helping others.

The annual Crescent Girl Ball was held on March 22nd, where Kay Ferguson, a member of Zeta Tau Alpha, was named Crescent Girl for 1969.

Lambda Chis were active in other extracurricular activities on campus. They may be found in such honorary organizations as Pi Gamma Mu, Beta Beta Beta, Alpha Psi Omega, Omicron Delta Kappa and one Brother, Bayne Smith, was named to Who's Who. Members were also active in varsity sports, band, debate team, Masquers, S.G.A., Rotoract, Association of Business Majors, S-Club, Crimson, American Pharmaceutical Association. Vaughn Hollon captured a spot on the Freshman Cheerleader squad and later was elected a Varsity cheerleader. Hal McDonald and Trent Chason were named Delta Zeta and Chi Omega pledge sweethearts, respectively and Truett Chambers was elected Delta Zeta Man.

With Step Sing and Parent's Day still ahead, Lambda Chi Alpha is looking forward to continued success this year and in the years to come.

Officers (L-R), *Sitting*: Ronnie French, President; Frank Holmes, vice-president; Gil Carpenter, treasurer; Jack Clark, secretary. *Standing*: Steve Chapman, pledge trainer; Tommy Bradley, rush chairman; Hal McDonald, scholarship chairman; John Logan, social chairman.

According to Pi Kappa Alpha, happiness is "experiencing deep friendship and understanding through the brotherhood of PiKA." Now 58 years old on this campus and 101 years old nationally, Pi Kappa Alpha continues to strive and achieve excellence in campus life as well as in other endeavors.

Last year we won the Overall intramural trophy by winning football, softball, tennis doubles, table tennis doubles for the Greeks and placing high in the other sports offered. This year we are off to a good start toward the overall trophy again by winning football, volleyball, and handball singles. In varsity athletics we had large participation in football with the majority of the outstanding linemen being either pledges or brothers. Brothers won both the outstanding offensive and defensive awards.

All this flexing of muscles seems to have had a positive effect on the sororities though since we now claim three sweethearts of the six sororities ADPi, Chi Omega, and Phi Mu.

Added to these qualities, participation in such societies as Alpha Kappa Psi, Beta Beta Beta, Alpha Epsilon Delta, Trident, Omicron Delta Kappa, Associated Business Majors, S-Club, and Rotaract Club tend to produce the well-rounded man we are proud to call a Pike.

What is a Pike? He's a guy who dresses sharp and has a good looking date. You can see him at the co-op, the cafe, the girls' dorms and at football games from here to Furman. A Pike also cares enough to lead the blood drive, donate to the Biafran fund and to give underprivileged children at the Crippled Children's Clinic a little bit Merrier Christmas. So what is a Pike? He's the kind of guy who can have a good time but still remember to care.

Officers (L-R) Wirt Harlin, Secretary; Joel Innman, Pledge trainer; Evan Zeiger, Treasurer; Put Ketchan, Vice-president; Jack Wright, President.

As the long hot summer drew to a close, the Pi Kapps made the journey to Virginia Beach, Virginia to attend the 32nd Supreme Chapter, National Convention of the Fraternity. Alpha Eta Chapter had been asked to perform their 1968 award winning Step Sing program for the first banquet of the convention and some twenty members were on hand to sing and receive the top two honors of the National Fraternity. The President's Plaque was first presented for the most outstanding chapter publication and then the top honor, that of being named the number one Pi Kappa Chapter in the nation, Champion Master Chapter. Also, Rose Queen Kris Schoening was named first runner-up to the National Rose Queen in competition for all chapters.

With an armload of honors, the brothers returned to school with sights set on a terrific rush. After two weeks of hard work, Alpha Eta pledges not only the largest, but the most outstanding pledge class on campus.

With Rush behind, intramural football took the limelight and the Pi Kapps placed second in the fraternity division. The fall passed quickly with football weekends, homecoming, and parties at Bluff Park. Before anyone could turn around, Founder's Day was upon us and the chapter was honored to have as guest speaker at the Founder's Day Banquet, the National President of the Fraternity.

The beginning of another semester brought initiation for 17 pledges who, through study halls and hard work, had somehow managed to make their grades. Also with the second semester came Rose Ball, a second place award in Step Sing, new hopes for a house, and best of all, HOUSEPARTY.

Pi Kapps are proud to call "Brother": the President of the Freshman Class, Four Senators, the Editor of the *Entre Nous*, "Mr. Samford," Greek God, Head Cheerleader and two other cheerleaders, Treasurer of Omicron Delta Kappa, and three other members, three members of Trident, President and Vice President of the Association of Business Majors, President of Skippers, and many members in other honoraries such as Gamma Beta Phi, Pi Gamma Mu, Alpha Kappa Psi, Kappa Psi, and many others.

The honors and activities are only a small part of what Pi Kappa Phi really is. These are the tangible things which make up a fraternity but the unseen things, those intangible assets, such as friendship, love, and Brotherhood through striving together for a common goal, that really make a Fraternity.

And in the words of our mighty Archon, Jim Daley, never underrate or overrate ANYTHING, especially a Pi Kapp.

Officers *Left to Right*: Linda Pugh, recording secretary; Paula Simmons, Ray Robbins, Historian; Gene Robertson, Treasurer; Jim Daley, President; Bill Hendley, Jerry Gallups, Secretary.

The school year 1968-69 was very successful for Iota chapter of Sigma Nu Fraternity. Long established on the Samford University campus and entering our centennial year nationally, Sigma Nu took the lead in many campus activities. Sigma Nu claims the Vice-President and Treasurer of the SGA, several class senators, as well as the President of IFC. Also, many members are active in such honorary fraternities as Trident, Omicron Delta Kappa, Alpha Kappa Psi, Kappa Psi, Sigma Tau Delta, and one brother in *Who's Who*. Sigma Nu was also well represented in Phi Alpha Theta, Alpha Epsilon Delta, and on the Deans List for outstanding scholarship.

In the field of varsity athletics, the fraternity represented and competed very successfully in intramural sports. As a part of Greek Weekend, Sigma Nu supported the IFC events which are held for sorority competition.

The chapter again enjoyed a year of active participation in campus life and looks forward to even a more enjoyable and constructive one this coming year.

1969 officers are (L-R): Scott Smithson, Commander, Ronnie Randall, Lieutenant Commander, Phil McArthur, Treasurer, and Ed Jackson Recorder.

I'll give my hand, to those who cannot see
the sunrise or the falling rain;
I'll sing my song to cheer the weary along,
for I may never pass this way again.
I'll share my faith, with every troubled heart
So I shall not have lived in vain;
I'll give my hand,
I'll sing my song,
I'll share my faith because I know
that the time is now to fulfill each vow,
For I may never pass this way again

I WILL REMEMBER

Familiarity of green-edged campus walks,
 Confessions of young hearts in midnight
 talks,
 Warm laughter under veil of candlelight,
 The pulsing thrill of meeting planes at night,
 A tree-drenched campus freshened after
 rain,
 Richness of gardenias wrapped in cellophane,
 Pigskin gloves, chrysanthemums, November,
 And a star-lit formal in December.
 The soothing comfort gained from quiet tears;
 Such lovely things I've known in these
 four years.
 Yet one thing more—oh, I have loved this
 while
 The priceless beauty of a Samford smile.

PATRONS

a city where good neighbors can proudly live, work, and prosper

In addition, the men and women of ACIPCO have shared in the development of the civic and cultural life of Birmingham. Through its people—and its products—the American Cast Iron Pipe Company evidences its support of the elements which make a good community . . . the elements which build a city where good neighbors can

proudly live, work, and prosper.

For more than half a century, the American Cast Iron Pipe Company has had an active part in Alabama's industrial expansion. Its products, of both cast iron and steel, have helped in the economic growth of the South.

SAMFORD STUDENTS

Among us, Samford University is very important; but, incredible as it may seem, it is not a self-subsisting unit. The commercial world of dime stores, doctors, dairies, restaurants, shoe stores, apothecaries, banks, bowling alleys, jewelers, and manufacturers can not be forgotten.

These our advertisers provide the necessities and luxuries of life. Simultaneously through advertising, they aid in the production of this student publication.
